SENIORS BY WINSHIP

**THESE ARE THE
PORTRAITS
THAT WILL
REPRESENT
YOUR YOUTH
FOR THE REST
OF YOUR LIFE.
CHOOSE
CAREFULLY.**

Winship portraits are not for everyone. They are for the people who want the very best.

Senior photography keeps changing. John and his crew are dedicated to bringing you not only the finest portraits, but an incredible experience you will love and remember. Senior portraits are a once in a lifetime event and should only be trusted to someone who knows how to make you look your best, by someone who has mastered lighting, posing and the art of portraits. A photographer who pays attention to every detail and produces the highest quality prints that will grace your walls for decades.

If you are looking for digitals to print at the drug store or Walmar, that simply is not us. If your goal is “good enough”, then we are overkill.

Call us at 248-625-2825 and schedule a free studio tour to find out if we are your perfect photographer.

FABULOUS

WE WANT TO CAPTURE WHO YOU ARE, NOT JUST WHAT YOU LOOK LIKE.

We are all unique individuals.

We want to capture who you are in as many ways as we can. Sure, this includes mainstream school sports and activities, but goes much further.

Extracurricular activities, hobbies, your current job, your career path, your college choice. Don't forget your favorite possessions and other passions. These are the things that define you at this point in your life. They should be included into the story of you that you are creating.

This is what we are after. The REAL you. Not some mold that everyone else falls into.

We believe three things:

- 1 - Your senior pictures should make you feel beautiful from the inside out.
- 2 - Offering a variety of styles for the senior that wants something different than every other senior.
- 3 - Making your senior portrait experience something you will remember forever.

"BOUNCE BACK" *All Year Long!*

Because your senior year lasts ALL year - let's capture you ALL year long! Winship Seniors seniors can come back all year long for an extra "Bounce Back" Session!

It's a 30 Minute, quick session to capture what's going on, all year long!

We can put your senior book, your story, on hold and keep adding to it through the year, making sure ALL of your activities are covered so your book will cover the entire senior year!

Enjoy the process! To start, give us a call at 248-625-2825 and set up a free studio tour. We will talk ideas, plan locations, show you around and answer any questions you might have. Once we know what you want to do, we can set your date. Then shop for the perfect outfits. The day of your photo shoot, you can choose optional hair and makeup, then we have fun capturing your look and style. You'll return 3 days later to look at your portraits and order what you want. Finished orders typically take 3-4 weeks.
